43) The Local Bodies were accordingly consulted in the matter. The District Board, Shimoga, have resolved, in their meeting dt 29.6.1929, that Govt may bear all the "X" charges for the next five years but they have not said anything to the effect that they will pay their Share afterwards. "Y" The Municipality of Thirthahally, have, however, agreed pay their quota after 3 years.

44) As per orders of the member at para 36 Supra, an enquiry was made whether any Quarters for the Lady Medical Officers were available at the place and the Senior Surgeon now reports that the D.C. Shimoga states that "Private buildings" are available for rent.

45) The Senior Surgeon now proposes that a Sum of Rs. 900/- only will be enough for supplying the essential requirements ie furniture, bed, clothing etc. This expenditure can be met from the quota payable from

CHIEF SECRETARY,
3 JULY 1929

SIR,

With reference to correspondence ending with your letter No. G. 8859/Med. 68-27-85 dated the 22nd January 1929, about the Maternity Hospital at Thirthalli, I have the honor to forward a copy of letter No. M3-L-C 1332/28-29 dated the 26th June 1929 and its enclosures in original received from the Deputy Commissioner, Shimoga from which it will be seen that both the District Board and the Municipal Council plead their utter inability to contribute anything towards the recurring maintenance charges of the Maternity.

I may here point out, that all such institutions have so far been maintained by joint contributions, and the proposal of maintaining this Maternity at the exclusive cost of Government cannot be entertained.

It seems most unreasonable that the local bodies should, in the first instance have contributed towards the construction of the building as well as towards the equipment; and now that everything is ready, to withdraw from active participation probably with the idea that it would now be obligatory on the Government to run the Maternity since they had incurred a heavy expenditures on this account.

I may note that during the Birthday Session of the R.A. also this question about maintaining the Thirthahally Maternity at Government cost was discussed at some length.

I am of opinion that unless the Local Bodies agree to bear their quota of the recurring cost, this Maternity cannot possibly be opened.

I have the honor to be,

Sir,

Your most obedient servant,

S. Subba Rao.

Letter No.M3-L C 1332/28-29, dated the 26th June 1929, from the Deputy Commissioner, Shimoga District, to the Senior Surgeon in Mysore, Bangalore.

With reference to your letter No.C. 793-12 dated the 2nd January 1929 x enquiring whether the District Board, Shimoga and Municipal Council Thirthahally are prepared to bear the recurr ng charges of Rs. 241/- in the ratio of 2/3 and 1/3 respectively for the maintenance of a Maternity at Thirt hahally, I have the honor to enclose herewith the resolutions of the said bodies in the matter. As seen from the resolution, both the bodies plead inability to meet any portion of the cost, as their finances are very poor and their liabilities very heavy.

SIR,

With reference to your letter No.G. 1311/Med 2-29-2 dated the 30th July 1929 regarding the opening of the Maternity Hospital at Thirthahalli, I have the honour to forward herewith copies of letter No.C. 395/L.B. 28-29 dated the 23rd August 1929 and its enclosure received from the President, District Board, Shimoga from which it will be seen that the District Board have passed a resolution requesting the Government to bear all the expenditure for the next five years. Even then they do not say about bearing their share of the cost after that period is over. I may point out for the information of Government that just at present no funds are available from the sanctioned grants to meet the charges of opening any new Dispensary in the State as intimated in my letter No.G.C. 70 dated the 9th September 1929.

SIR,

With reference to your letter No. G. 6572/Med. 7-29-4, dated the 27th November 1929, regarding the opening of a Maternity Hospital at Thirthahalli, I have the honour to state that the probable cost will be:

Initial : -	Europe Medicines etc.,	...	Rs. 1,200/-
Recurring -	Pay of Lady Medical Officer at Rs.113 x 12	...	Rs.1,356/-
	Establishment charges a t 354 x 12	...	Rs.4,248/-
			Rs.5,604/-
	Grand total.	... ...	Rs.6,804/-

If the Maternity is opened, say by the 1st of January 1930, the total cost to be met by Government up to the end of the official year will be about Rs.3535/- which cannot be met out of any sanctioned grant of this department during the year. As already pointed out in this office letter No. C. 793-7, dated the 9th November 1929, both the District Board and the Municipal Council of Thirthahalli have each agreed to bear only a third of the cost of initial equipment of the Maternity so that the balance of Rs.552-3-0 still remains to be made good by either or both the Local Bodies according to the Government Order No.G. 10642-59/Med. 85-25-62, dated the 28th June 1926. If they cannot do so the balance will have to be met by Government in case the Maternity is to be opened at Thirthahalli.

Government of Mysore, Bangalore.

SIR,

1 With reference to your letter No.G.7783/Med.7-29-6 dated the 2nd January 1930, re. the opening of the Maternity Hospital at Thirthahalli, I have the honor to state that the President, District Board, Shimoga who was consulted, reports that "private buildings, quite suitable for accommodation are available for rent in the town". The allowance for house rent, however, will have to be met by the District Board, as in all other similar cases.

2 In this connection, I would like to point out that against Rs.1656-9-0, required for the supply of Furniture, Bedding and Clothing etc., to this Institution (towards which both the local bodies have already expressed their willingness to contribute1/3 their quota) a sum of Rs.900/- will be enough for supplying just the essential requirements for the present, so that the total expenditure would be covered by the quota which the Local Bodies have already agreed to contribute.

3 Regarding the opening of the Maternity Hospital, I would suggest that at the outset, only a Lady Sub Assistant Surgeon, may be posted for treatment of women patients, and to conduct Labour Cases assisted by a resident midwife. The existing compounding Room will be common to both the male and the female out-patients. I only propose to enhance the supply of Europe medicines to the Local Fund Dispensary by Rs.500/- which will meet all requirements.

4. By this, we would beesaving about Rs.500/- towards the cost of Europe medicines, and about Rs.160/- towards the recurring monthly

monthly expenditure by the omission of (1) the female compounder (2) one midwife, Dieting charges, Dhoby and 2 ward attendants.

But, as I have already explained, even for meeting this amount, an additional grant will have to be applied for this year, necessary provision for all items being made in the next year's budget.

I have the honor to be,
Sir,
Your most obedient servant,

S. Subba Rao.

-*****-*-*-*-*-*-*-

In continuation of my letter No: M.3.C.355/29-30 dated 27th September 1929 stating that the Thirthahalli Municipal Council and District Board Shimoga are agreeable to bear their quota of the maintenance charges of the Maternity Hospital at Thirthahalli, respectively after 3 years and 5 years, if the Government would kindly bear all the expenditure conected therewith during this period, I have the honour to enclose herewith a copy of the resolution passed by the District Board on 1st December 29. As seen therefrom, the Board agree to bear their quota three years after the Hospital is opened, in case the Government are pleased to bear all the expenditure during this period.

As the local bodies concerned accept the condition of Goverment, I request that orders of Goverment may kindly be obtained to open the Hospital at a very early date.

Taking into consideration the financial position of these two bodies I think they have put forth the best proposal they could possibly make.

The building for the Materity is being ready. People of the locality are very keen to have it opened as early as possible. Goverment may kindly be moved to open the Hospital very early.

Correspondence ending with letter No.C.793-32 dated 18th February 1930, from the Senior Surgeon in Mysore submitting proposals in the matter of opening a Maternity Hospital at Tirthahalli.

Order No. G. 11647-51 med. 7-29-8

Dated, Bangalore 27-3-30

1) In the course of the discussion on the resolution brought up by Mr. Gopala Char at the ~~October~~ December Session of the R.A. in 1929, it was represented that al-though the construction of a Maternity ward ~~adjoining~~ the L.F. dispensary at Tirthahalli had been completed, the maternity itself had not been opened as the local bodies were not able to bear the recurring expenditure thereof. It was therefore ~~prayed that~~ the entire cost ~~of the Maternity should be~~ thereof being borne by the Government. The reply of Govt. was that if the local bodies concerned agreed to pay their share of the cost in due course, the -- question would be favourably considered. On this assurance the resolution was with-

urged that arrangements shd be made to open ch immediately

withdrawn by the mover.

4) On the local bodies being ~~accordingly~~ consulted, the District Board of Shimoga and the Municipal Council of Thirthahalli pleaded their inability to bear their quota of cost towards ~~recurring~~ recurring charges for some time. They, however, agreed to meet their portion of the initial - charges of opening the maternity.

3) The Senior Surgeon proposes as a preliminary measure to post a Lady Sub Assistant Surgeon to the L.S. Dispensary to -- treat women patients and to conduct labour cases assisted by a resident midwife. He further reports that the additional recurring expenditure will be about Rs.200/- a month as noted in the margin and that a sum of Rs.900/- would suffice for supplying the essential requirements regarding furniture, bedding and clothing etc., towards which a sum of Rs.552-8-0 has already been paid by the Municipality ~~and~~ (& upto add'l dat) the District Board have agreed to pay an equivalent amount.

To
The Chief Secretary
to the Government of His Highness
the Maharaja of Mysore, Bangalore.

SIR,

5081 M
B 11/4

Adverting to the penultimate para of Government Order No. G.11647-51. Med. 7-29-8, dated the 27th March 1930, regarding the opening of the Maternity Hospital at Thirthahalli, I have the honor to state that the Medical Officer, Krishnarajendra Hospital, reports in his letter No. 478, dated the 5th Instant, that there will be no savings, but rather a deficit of funds under the "Krishnarajendra Hospital," this year.

If the Maternity Hospital has to be opened during the current year, an additional grant will have to be sanctioned to cover the expenses.

Moreover, no Lady Sub Assistant Surgeons are available for being posted to this institution at present. In these circumstances, I solicit further orders of Government.

I have the honour to be,

Sir,

Your most obedient servant,

S. Subba Rao

Senior Surgeon.

CHIEF SECRETARY 12 MAY 1930

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

SIR,

In reply to your letter No. G. 13065/Med. 7-29-10, dated the 6th May 1930, I have the honour to state that all possible efforts will be made to arrange for the opening of the Maternity Hospital at Thirthahalli on or before the 1st June 1930. The Superintendent, Medical Stores, has already been requested to put up the necessary Medicines, etc., required for the new dispensary.

2. The difficulty is that there is no Lady Sub Assistant Surgeon available to be posted to Thirthahalli immediately. I have two applications on hand and have written to the candidates enquiring if they are willing and free to accept immediately, the post of a Lady Sub Assistant Surgeon on the usual terms. If any of them is willing, I shall appoint her, subject to the approval of Government, against one of the existing vacancies and arrange to release an experienced Sub Assistant Surgeon for charge of the Maternityat Thirthahalli.

3. I have also written to Dr. Thakar, Professor, Grant Medical College, Bombay, to let me know if he can recommend a Lady Sub Assitant Surgeon who knows Kanarese and am expecting his reply shortly.

I have the honour to be,

Sir,

Your most obedient servant,

S. Subba Rao

Senior Surgeon.
